The conviction of the authors that these stories are wonderful is also supported by the fact that the book has been baptized by [Juraj Jakubisko](#) , a famous Slovak film director, who likes the book very much.

Many thanks to Juraj Jakubisko.

Availability: The book was probably sold out long time ago, but for sure people have not succeeded to steal it from all libraries, but you still have a chance to get one here. The authors still have a few books left, but after having learnt from life experiences they will not let them out of their hands.
